

Communication Confusion

Good communication is the bridge between confusion and clarity. ~ Nat Turner

Communication is often confusing with people saying one thing and meaning something totally different. In fact, it plays a key role in the functioning of any organisation or workplace. It helps to convey information and ensure the transmission of instructions or feedback. It also plays a major role in the development of skills and competencies. Healthy communication is therefore, essential to establishing a harmonious work culture.

- ❖ Understanding communication through role plays and discussions
- ❖ Communication styles & emotions
- ❖ Strategies to handle various styles
- ❖ When and where to use different styles to communicate effectively
